Guest Lecture - Prime Bio Medical Systems

KG COLLEGE OF ARTS AND SCIENCE

DEPARTMENT OF ELECTRONICS AND COMMUNICATION SYSTEMS

Guest Lecture (02.08.2018) Report

The Department of Electronics and Communication Systems has organized a guest lecture on 02.08.2018 at 2.00 P.M with the guest Mr.N.Nandakumar, Proprietor, Prime Bio-Medical Systems, Tirupur.

The Guest Lecture started with the prayer song. Mr. M. Arun Prasad, Assistant Professor, Department of ECS, delivered the welcome address and honored the chief guest with a memento.

In the chief guest address, Mr. N. Nandakumar, Proprietor, Prime Bio-Medical Systems, briefly covered the role of biomedical in our day today life. He started his technical speech by highlighting the important features of biomedical equipments and its function. Later, he gave a brief explanation about the working principles of some medical equipment. At the end of the session, few students asked questions and the guest patiently answered them.

Mr.Karthikeyan, Assistant Professor, Department of ECS, delivered the vote of thanks. The function concluded with national anthem.

CERTIFICATE

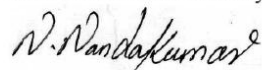

This is to certify that **Miss. AKSHAYA.P, III** B.Sc. Electronics and Communication Systems, KG College of Arts and Science, Coimbatore has successfully completed her implant training at our service department.

She has visited various hospitals from 04-01-2021 to 09-01-2021 and learnt the functions of different biomedical instruments.

During the training period, her initiative and behavior was found to be good.

We wish the best in all for her future endeavors and career.

International Webinar - Asia Pacific Center for Analytics

Name of the Department	Research and Development Cell
Association name	Research and Development Cell
Activity	International Webinar
Date of the activity	12.04.2021
Title of the activity	Research Perspectives in Data Science
Objective	<p>To make participants to be clear</p> <ol style="list-style-type: none"> 1. Apply quantitative modeling and data analysis techniques to the solution of real world business problems, using data visualization techniques. 2. Recognize and analyze ethical issues in business related to intellectual property, data security, integrity, and privacy. 3. Apply principles of Data Science to the analysis of business problems. 4. Employ cutting edge tools and technologies to analyze Big Data.
Resource Person	Dr. Rajasvaran Logeswaran Professor/ Head , Asia Pacific Center for analytics,APU, Malaysia
Total no. of beneficiaries	120
Outcome / Report	Faculty members from all the departments participated in this International Webinar and they got a clear idea about data analytics, machine learning, deep learning, statistical methods, big data, data visualization to analyze the data.

IRCACSIT'18

2nd International Research Conference on Advances in Computer Science & Information Technology

10th February, 2018

Organised by

Department of Computer Science, Applications Technology and Systems

Conference Focus

The IRCACSIT'18 is an International Conference organised with the objective of bringing together researchers, developers and practitioners from academia and industry working in all areas of computer and communication technology. Scientific approach in data processing which involves the engineering aspects as well, would lead to major strides in the domains of data, information and knowledge. This conference is intended to revolve around the trends and developments that are happening in the globally competitive environment as well as to provide comprehensions for future directions to researchers & practitioners.

PUBLICATION

All the accepted and registered papers will be published in Conference Proceedings with ISBN number.

IMPORTANT DATES

Registration starts from	02.01.2018
Last date for full paper submission	13.01.2018
Communication of acceptance	22.01.2018
Last date for registration	05.02.2018

REGISTRATION FEE

For Foreign Authors	US\$100
For Indian Delegates (Academicians and Research Scholars)	₹1000+₹750 for second author proceedings

CONFERENCE TOPICS

- Algorithms and Bioinformatics
- Computer Architecture and Real time Systems
- Database and Data Mining
- Dependable, reliable and autonomic computing
- Distributed and parallel systems & algorithms
- DSP/Image Processing/Pattern Recognition/Multimedia
- Embedded system and software
- Game and software engineering
- Grid and scalable computing
- Intelligent Information & Database Systems
- Mobile and ubiquitous computing
- Modeling and Simulation
- Multimedia systems and services
- Networking and communications
- Programming Languages
- Security and Information Assurance
- Soft Computing (AI, Neural Networks, Fuzzy Systems, etc.)
- Web and internet computing
- Theoretical computer science
- Natural Language Processing
- Geographical Information Systems/ Global Navigation Satellite Systems (GIS/GNSS)

(Accredited by NAAC. An ISO 9001:2008 Certified Institution)
(Approved by Govt. of Tamilnadu & affiliated to Bharathiar University)
KG College of Arts and Science
Thudiyalur Road, KGISL Campus, Saravanampatti,
Coimbatore - 641035, Tamilnadu, INDIA.
