## Google Classroom Vs. Edmodo

### Core Differences

#### Integration with Applications

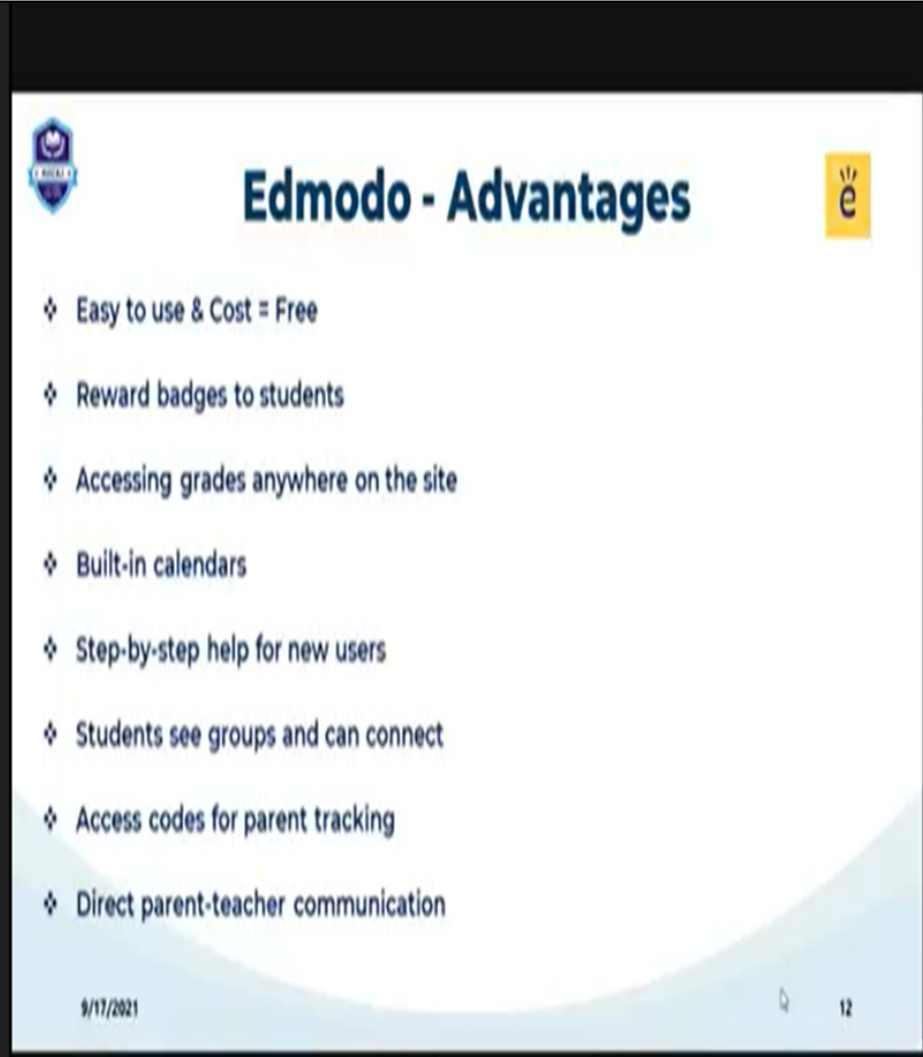

Google Classroom integrates with many student information systems, along with other third-party applications, such as instructional tools, digital literacy solutions and coding software.	Edmodo integrates with Google Apps, Microsoft Office and Zoom. Its premium plan offers SIS integration.

### CA / CMA Professional Course

It helps students improve their financial accounting expertise by enabling them to acquire management skills in order to make strategic decisions based on financial statistics. The Institute of Cost Accountants of India (ICAI) conducts the Certified Management Accountant (CMA) examinations.

CAs are those professionals who are rigorously trained in various aspects of the functioning of an economy to managing the finances or advising people on financial management.

CA is one of the most renowned accounting certification courses conducted by the Institute of Chartered Accountants of India (ICAI) in our country.

In KG College of Arts and Science, CA & CMA course was conducted by Cheziyan Academy for 4 months. Totally 67 students were enrolled for the professional course from different commerce streams. Out of 67 students, 50 students registered for CMA and 17 for CA courses.

36 students appeared for CMA examination held in the month of July 2022 and 26 students were successfully cleared their foundation level.
