Abitha G

Subject: Offer of Employment

Dear Abitha,

On behalf of ADJ Utility Apps Pvt. Ltd. (the "Employer"), We are pleased to confirm our offer of employment to you as an **Intern – Telecaller** based in **Bengaluru**. We extend this offer, and the opportunity it represents, with great confidence in your abilities. You have made a very favorable impression with everyone you met and we are excited with the prospect of you joining our organization.

You will be assigned a mentor in the initial weeks of your joining who will help you understand your role and work responsibilities.

Your monthly compensation is **6000/-**, and will be subject to completion of internship as well as statutory and other deductions as per Employer policies and practices if applicable

You may also receive additional benefits as are generally accorded to the employees of the Employer, subject to the applicable policies and practices of the Employer.

Your compensation details are confidential and you may discuss it only with the undersigned in case of any clarification. It is our hope that your acceptance of our offer will be just the beginning of a mutually beneficial relationship with our organization. We would like you to join the Employer on **May 16, 2022** or an alternative mutually agreed upon date. At the time of joining, it is mandatory for you to submit the documents mentioned below.

Your internship will end on **August 15, 2022** or on a mutually agreeable date.

If any information furnished by you to the Company proves to be false or if you are found to have willfully suppressed any material information, the Company shall be entitled to terminate this contract without giving any notice.

The Company may transfer you to any other location or any affiliate or associate company in India or abroad. Such transfers will not create for you any right to ask for revision in your salary or other terms and conditions of your services. Consequent to such transfers, you will be governed by the terms and conditions of service as applicable to your category of employees in the new place/office.

The screenshot shows the 'NXT WAVB' Code Playground interface. On the left is a sidebar with a 'CONTENTS' menu listing topics like 'Introduction to Python', 'I/O Basics', 'Operators & Conditional Statements', 'Nested Conditions', 'Loops', 'Loop Control Statements', 'Comparing Strings & Naming Variables', and 'Lists'. The main area is titled 'Defining a Function' and explains that a function is uniquely identified by its name. It features a diagram of a 'Reusable Block of Code' and a code editor with the following Python code:

```
1 def greet():  
2     print("hello")  
3  
4 name = input()  
5 print(name)
```

Buttons for 'PYTHON', 'Help', and 'Input' are visible.

The screenshot shows the 'NXT WAVB' Coding Practice interface. The title is 'CODING PRACTICE - 21' and the problem is 'Identify the Mistake - List of Squares'. The description asks to write a program to square the elements in a list. The input is a single line of comma-separated integers, and the output is a single line containing a list of squared elements. An example shows input '1,2,3,4' resulting in output '[1, 4, 9, 16]'. The code editor contains the following Python code:

```
1 def get_list(string_a):  
2     list_a = string_a.split(',')  
3     len_list_a = len(list_a)  
4     for i in range(len_list_a):  
5         list_a[i] = int(list_a[i])**2  
6     return list_a  
7  
8  
9 string_a = input()  
10 numbers_list = get_list(string_a)  
11 print(numbers_list)  
12
```

Buttons for 'RESET', 'SAVE', 'DEBUG', 'RUN CODE', and 'SUBMIT' are visible at the bottom.
