Working process of Rest API:

Alexa communicates with your service via a request-response mechanism using HTTP over the REST Server through JSON language.

When a user interacts with an Alexa device, your service receives a POST request containing a JSON body. The request body contains the parameters necessary for the service to perform its logic and generate a JSON-formatted response and the response in turn gives you back the result.

Objective:

Ideathon 2021 – POC Pitch encourages students to research, explore and use all the new technologies and tools to discover new things. Innovation involves different ways to see and solve problems. It also improves education by enabling students to use higher levels of thinking to solve complex problems.

Benefits:

As part of the PoC PITCH event, KGCAS's IIC & R & D Cell hosted Ideathon 2021 – student's problem submissions and presentations in online mode. Fifteen teams and 57 students presented innovative ideas in the areas of education, agriculture, healthcare, cyber security, e-commerce, banking and insurance. This platform facilitates collaboration, enabling students to communicate and collaborate more effectively. It helps build technology-based skills and helps students learn to use and use technology tools from an early age.

The poster is for 'IDEATHON 2021' organized by the Institution's Innovation Council in association with the Research & Development Cell. It features the KG College of Arts and Science logo at the top left, which includes a shield with a book and the motto 'create your ethos'. The main title 'IDEATHON 2021' is in a large red banner. Below it, a list of problem statements is shown in yellow boxes: EDUCATION, AGRICULTURE, HEALTH CARE, CYBER SECURITY, ECOMMERCE, and BANKING & INSURANCE. On the right, there is a graphic of a hand holding a glowing blue globe with network lines. At the bottom left, there are social media icons for Facebook, Twitter, YouTube, LinkedIn, and Instagram, along with the handle '@Kgcasofficial'. At the bottom right, the date '31st DEC 2021' is displayed, followed by a box stating 'Attractive Cash Prizes & Internship Opportunities'. The Institution's Innovation Council logo, featuring a stylized figure, is also present at the bottom left.
