Name of the department Association / Dance Club	Razzle Dazzle ‘2021
Activity	Flash Mob
Date of the activity	22/03/2021
Title of the activity	Women Empowerment
Objective	This event aims at spreading awareness for the various societal issues pushing women to the margins. It is aimed to empower female students and provide for them a safe environment. The events will help reach out to all the incoming as well as existing students and ensure that they know that Women’s Association is there to help and provide support for all endeavours that degrade women, that is female students on campus and the problems they have had to deal with. We organized the flash mob programme to create Women awareness with enormous support with the help of our female students from our dance team.
Total no. of beneficiaries	500
Outcome / Report	The flash mob took our students by surprise and became a talking point. The movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion, releasing energy, or simply taking delight in the movement itself.

<p>Outcome / Report</p>	<p>Recall and define key disciplinary ideologies. Students will be able to define basic terminology and recall key concepts in the areas of dancing.(Discipline Learning)</p> <p>Understand and interpret the elements of performance. (Discipline Learning) Students will be able to understand foundational elements that together compose and interpret how these elements operate both individually and collectively in dance.</p> <p>Demonstrate professional standards as artists throughout the audition, rehearsal, and performance process. (Applied Skills) Students will be able to demonstrate professional standards as actors and technical crew members by preparing for auditions;.</p> <p>Evaluate live performance.(Civic Engagement) Students will be able to evaluate and criticize live community, and professional dance performance through multiple technical lenses and cultural perspectives to articulate the artistic and social relevance of the art of contemporary dance performance.</p> <p>Create (Integrative Learning) Students will be able to create, produce and direct (in consultation with faculty) a theatrical concert dance performance for public viewing. Through independent study and rigorous laboratory rehearsal processes, students will synthesize the conceptual analysis of their coursework, the live onstage dancer(s), and the elements of visual design (i.e. costumes, sets/props, and lights) to create and present live original works of choreography.</p>
