My Open Tasks (54) Ticket Type - Routine My Closed Tasks (6799) Its a usual ticket for which you don't need your department head approval. * FAQ Options Ticket Type - New (Need HOD approval) Knowledge Base This is for all non-routine helpdesk licket, you should get approval from your department head. If you select this type, helpdesk will automatically send the approval request email to your selected Head of the Department with approval instruction and HOD can send their approval through email itself. After their approval only this ticket will be sent to relevant department for processing. Vser Options Edit Profile Regards, Helpdesk Team 15/03/2010 16:53 Dear All, We have introduced a new feature in our helpdesk for accounts department. For some reason Accounts department will transfer the lickets to user(who raised tickets), So Ali users should have Eye on "My Pending Tasks". Those tickets should be closed by the user itself. Until the tickets gets completed, there will be a reporting mail send to their department heads respectively. Thanks KGISL Helpdesk 29/01/2010 17:29 Dear All, Kindly update your profile with right email ID and mobile number in our helpdesk system.

# **Policy on e-governance**

KG College of Arts and Science adopts e-governance in all its management and administrative activities. The college adopts paperless administration as a green initiative. All stakeholders are oriented and encouraged to practice e- governance.

### **Objectives**

- 1. Implement E-governance in various functions of the college
- 2. Achieve efficiency in functioning and documentation
- 3. Promote transparency and accountability
- 4. Achieve paperless administration
- 5. Facilitate online internal and external communication
- 6. Provide easy access to information
- 7. Make the institution globally visible

### **E-governance Initiative**

- 1. Implemented e-governance in three modules.
  - a. Campus Management System
  - b. Learning Management System
  - c. Student Support Service
- 2. Demonstrated the policy through e-Campus training.

### **Areas of E Governance**

### I. Campus Management System

### 1. Human Resource Management

All the teaching and non-teaching members are provided with the login credentials in the e-Campus system after their appointment. Their documents like Appointment order, University Qualification Approval and Guide Recognition. The leave, on-duty details are maintained in the portal itself to avoid time delay.

### 2. Academic Activities

The Academic Calendar is prepared in the e-Campus portal with the planner for the Holidays, Internal Examination, Assignment Submission Dates and Maga Event Planner. The workload allocation, Time Table, Project Schedule, Elective Subject Allocation, Placement Training Schedule, Add-on course structure are maintained in the portal itself. The day to day activities like students daily attendance, assignment submission and feedback are well structured in the e-Campus.

#### 3. Admission

This admission process starts from the enquiry. The students' details are recorded in the e-Campus at the time of their first visit or call or form filled through the website. The activities till the generation of roll number will be carried over in the portal for reducing the usage of paper documents.

#### **II. Learning Management Systems**

#### a. Learning Process

The Subject materials are provided in the portal and it is available for the students in their login itself. The question bank is visible to the students for their examination preparation. The online submission of assignments is also available. The students can access the portal as a public domain and it is available 24/7.

#### **b.** Examination Process

The Examination process starts with setting up the criteria for the Internal marks and Question Bank preparation. The Outcome Based Education is followed in the campus and the questions are classed based on the course objective and knowledge level. With reference to the question pattern prescribed by the Bharathiar University, the questions are generated for the Internal and Model Examination. The Internal Mark calculation, Attendance Performa and the Outcome Based Result Analysis are all prepared in this platform.

#### c. Library

The Library automation is connected with the e-Campus System. The students, Teaching and Non- Teaching members can also access the OPAC in their login itself.

### **III. Student Support Systems**

The student's dashboard displays the profile of the students, their academic performance, attendance, the scheduled activities like Assignment, Internal Examination, Online Examination, fees payment status and option to make online payment. The students can register their feedback in their portal itself.
