About the IQAC

In accordance with the NAAC guidelines, the Internal Quality Assurance Cell (IQAC) was established in 2016 to initiate, monitor, evaluate and report on significant measures to enhance the quality in teaching. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

Notable Activities

- Implemented OBE in the curriculum and measurement of Course Outcome's attainment.
- Introduced Capability Maturity Model (CMM) framework for the online classes.
- Organized Faculty Development Programmes on OBE, ICT Tools and various other domains to enrich the knowledge of faculty members.

About the Seminar

The key role of any system of education is to build abilities, develop attitude and cultivate the right approach towards life. Considering these aspects, it is of vital importance to design and develop a curriculum which should result in transforming the students with needed skill sets. Educational programmes, when designed with specific objectives of transformation and development will help in bringing desired holistic development. The principal focus of this seminar is how to cultivate an aspiration to learn, understand and adapt new skills and learning inputs.

Learning Outcomes - based Curriculum Framework (LOCF) is the fundamental idea to ensure the graduate of any programme of study, to demonstrate the achievements of outcome in terms of knowledge, understanding, skills, attitude as well as values. Keeping this in mind it is intended to conduct at a Two day National Seminar on "Defining, Designing, and Developing Learning Outcomes-based Curriculum Framework in Arts and Science Colleges".

Themes

- The philosophy of Learning Outcomes-based Curriculum Framework (LOCF) and graduate attributes.
- Defining PO's and CO's
- Designing the teaching strategies, learning sequences and assessment mechanism using Bloom's Taxonomy.
- Mapping CO's and PO's for measuring attainment levels.
- Documenting the results and initiating appropriate action
- Best Practices in Curricular Aspects and Teaching, Learning.

PRESENTS

TWO DAY VIRTUAL

INTERNATIONAL CONFERENCE

ON

INTERDISCIPLINARY RESEARCH

IN

SOCIAL SCIENCES, SCIENCES AND TECHNOLOGY

In Collaboration With

UNIVERSITI MALAYA
 Fakulti Sains Komputer dan Teknologi Maklumat

21st MAY & 22nd MAY 2021.

ABOUT THE CONFERENCE

KG College of Arts and Science, Coimbatore proudly organizes an International Conference on **Interdisciplinary Research in Social Sciences, Sciences and Technology** in collaboration with the Universiti Malaya, Kuala Lumpur, Malaysia. It will surely provide an opening to all the professionals, blooming authors, renowned speakers and delegates from all walks of life to present their creation of thoughts and innovative ideas to a vast and grand audience. This conference will open its portals to each and every branch of Commerce, Management, Science, Computer, Biotechnology, Mathematics, Electronics and English Literature. It extends its gentle yet craving invitation to all the prominent scholars to participate and get highly benefited.

ABOUT UNIVERSITI MALAYA

Universiti Malaya, or UM, Malaysia's oldest university, is situated on a 922-acre (373.12 hectare) campus in the southwest of Kuala Lumpur, the capital of Malaysia. It was founded on 28th September 1905 in Singapore as the King Edward VII College of Medicine and on 8th October 1949, it became the University of Malaya with the merger of the King Edward VII College of Medicine and Raffles College (founded in 1928). The University of Malaya derives its name from the term 'Malaya' as the country was then known. The Carr-Saunders Commission on University Education in Malaya, which recommended the setting up of the university, noted in its Report in 1948: "The University of Malaya would provide for the first time a common centre where varieties of race, religion and economic interest could mingle in joint Endeavour ... For a University of Malaya must inevitably realise that it is a university for Malaya." The growth of the University was very rapid during the first decade of its establishment and this resulted in the setting up of two autonomous Divisions on 15th January 1959, one located in Singapore and the other in Kuala Lumpur. In 1960, the government of the two territories indicated their desire to change the status of the Divisions into that of a national university. Legislation was passed in 1961 and the University of Malaya was established on 1st January 1962. On June 16th 1962, University of Malaya celebrated the installation of its first Chancellor, Tunku Abdul Rahman Putra Al-Haj, who was also the country's first Prime Minister. The first Vice-Chancellor was Professor Oppenheim, a world-renowned Mathematician. Currently, His Royal Highness, the Sultan of Perak Darul Ridzuan, Sultan Nazrin Muizzuddin Shah is the Chancellor of UM. Y.Bhg. Dato' Prof. Ir. Dr. Mohd Hamdi Abd Shukor was appointed as the 13th Vice-Chancellor of UM on 1st November 2020.

ABOUT KGCAS

KG College of Arts and Science (KGCAS) was started in the year 2005 with the intent to provide quality education at the undergraduate level and post-graduate level, focusing primarily on meeting the talent requirements of the domestic and global IT and IT-enabled service providers. The infrastructure available in the institution for the pursuit of IT and ITES education is unparalleled. A very liberal scholarship provides for opportunities for economically challenged yet academically brilliant students to take up courses at the college. Choosing the right institution for the future will depend on the proximity of such institutions with the industry. KG College of Arts and Science, an Institution sponsored by KG Information Systems Private Limited, is the perfect match to an Industry-Institute learning environment. We call it 'Campus Inside' where learning takes place within the precinct of Industry. The KG College of Arts and Science is located on the KG Campus, a sprawling 40-acre campus, just 8 Kms from city, which also houses the BPO, Software, Call Centre operations of KGISL apart from co-location of its institute of higher learning. The Campus presents the perfect integration of Institute - Industry - Infrastructure in an environment of perfecting learning - the foothills of the Western Ghats, Coimbatore. The placement opportunities start from the time you join such future-thinking programmes. What better then, will be an opportunity, than mentoring yourself at an institution sponsored by an Industry.
