Action Taken Report

As per the query asked by NAAC, the following points are to be considered for the Action Taken against the recommendations given in Green Campus initiatives

S. No.	Recommendations from the auditing agency	Actions Taken
1.	Name board for the plant species and medicinal/economic values be given (if any)	Name boards are kept for the plants/trees with medicinal values/economic values. Total area for KGCAS: 11 acres The % of green cover: 5% No. of plant/trees varieties available: 20 No. of rare trees/ plants:2 No. of plants with economic values: 5 No. of plants with medicinal values: 10
2.	Honey Bee hives to be kept in places which do not affect the students' mobility.	Natural Honey Bee hives are seen habitually; at the top rood lintel which cause no disturbance to the students.
3.	Soil test on important parameters be conducted on the campus.	Soil test is done on 12.08.2022 Parameters: pH: 7.5 EC:0.9 Nitrogen: 3% Phosporous:1% Potassium: 2% Organic Carbon: 14% Soil health is maintained for the cultivation of various native and wild type plant species by supplementing organic fertilizer.
4.	Quality of water to be tested.	To start with the quality of water, the water doctors in the campus is tested monthly and reported.

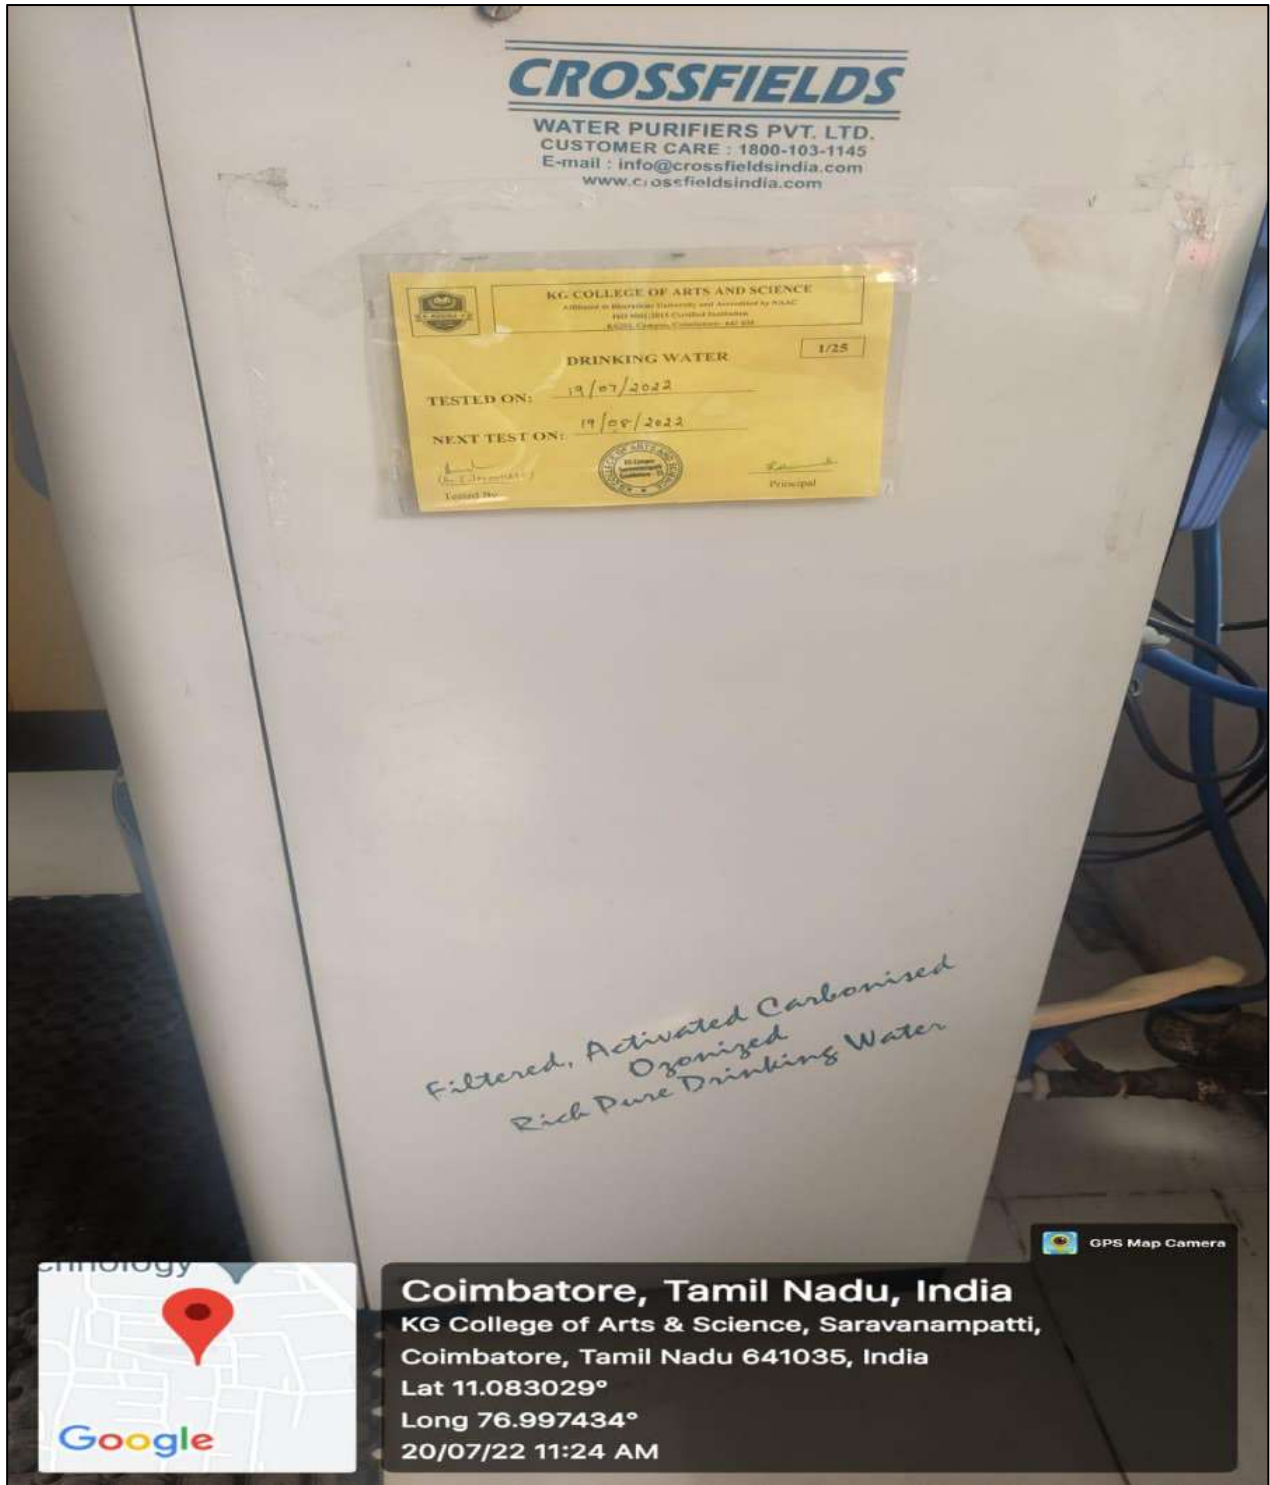

S. No.	Recommendations from the auditing agency	Actions Taken
5.	Vermicomposting can be done.	Installed the vermicomposting unit, harvesting of vermicomposting is yet to be done.
6.	Automatic water irrigation systems like drip and sprinkler irrigation methods be adopted	Automatic water irrigation system is installed and functioning regularly for watering the plants.
7.	It is recommended to develop ‘Green Campus Policy’, ‘Energy and Environment Policy’ and ‘Purchase Policy’.	The Policies are framed as per the recommendations and followed. To a great extent non-degradable materials are avoided for packing.
8.	KGCAS Management has to take smart initiatives towards creating a Green Campus in the areas of green computing and waste management. The desktop infrastructure is virtualized through VMW virtualization technology.	Computers with fewer configurations purchased earlier and were distributed to the nearby Government Schools.
9.	Eco club student chapters, forums, cells, etc. be established.	Eco Club is functioning regularly. Now, Student chapter has been created.

Outreach Programme - Go Green and Make it Clean - Corporation Regional Office, Kalapatti

Name of the Department	English
Activity	Outreach Programme – Go Green and Make it Clean
Date of the event	08/10/2021
Location	Corporation Regional Office, Kalapatti, Coimbatore
Objective	To teach the students to become responsible young global citizens by knowing the values of helping the needy and creating clean, green environment
Total no. of beneficiaries	15
Outcome / Feedback	<p>The Department of English organized an Outreach Programme at Corporation Regional Office, Kalapatti, Coimbatore on 8th October 2021 with nine students from 3rd B.A. and 1st B.A. and their mentors, Mrs.R.UmaMageshwari and Ms.M.Gayathri. The main dictum of this Outreach Programme is to “GO GREEN AND MAKE IT CLEAN”. Mr.R.Gunasekar, Sanitary Inspector, Corporation Regional Office, Kalapatti, welcomed our team and supported us to accomplish our idea of planting medicinal saplings and provide masks, sanitizers to the front-line workers. The students planted Medicinal saplings such as Holy Basil, Indian Borage, Neem and Betel in and around the office premises to create awareness about healthy environment. The front-line workers of the Kalapatti zone were provided with the Covid – 19 precautionary kits like Face masks and Sanitizers by the students for their safety. The programme received an overwhelming response from the Sanitary Inspector and all the other staff of the office.</p>
