

Policy for Seed Grants for Publication

The Research Grant of KG College of Arts and Science (KGCAS) for publishing Research Article in Scopus Indexed / Web of Science / IEEE journals is designed to stimulate the interest of publishing the research article in the refereed journals by the members of faculty. This financial support nurtures the culture of research among researchers.

Objectives:

1. To support the members of faculty to publish their research work in the indexed journal to share their research work to the peer researchers as well as to academic community.
2. To enable the faculty members to submit the proposal to external agencies for funding, as a follow up of the publication.
3. To create a quality research culture in the campus through multidisciplinary research.
4. To create visibility to members of faculty through their publications in indexed journals.
5. To promote collaborative research projects involving students and faculty resulting practical solutions and impactful publications

Publication Norms:

- Minimum number of publications: 2 papers/faculty/year and only the second one will be considered for performance Appraisal
- Maximum number of Authors: 02(1 Author from outside KGCAS is allowed only if their article is related to Ph.D. work and the guide is from other Institution)
- Affiliation should be mentioned in the name of “KG College of Arts and Science”
- The publications can be vetted by IQAC for Plagiarism check

Policy for Sanction of Grants:

1. Authors are from KGCAS, and the work is independent of their Ph.D.,

Conference Type	Author Type	Publication Grant
Conferences Paper published by IEEE / Scopus / Springer	Single Author	50% College + 50% by Authors
	Two Authors	50% College + 25% by each Authors
Journal Publications	College – 50% or up to ₹10,000(whichever is minimum) + Balance shared by authors	

2. The article is part of Ph.D. research of to be the author

Conference Type	Author Type	Publication Grant
