Research & Development Cell

Innovation Start-up Policy

Problem Area / Thrust Area:

1. Strategies & Governance for Promoting Innovation & Entrepreneurship
2. Norms for nurturing innovations and start-up culture among the, Members of faculty, students and staff.
3. Innovation pipeline and pathways for entrepreneurs at institution level
4. Collaboration and Co-creation of business relationships and knowledge exchange
5. Entrepreneurial Impact Assessment

Strategies and Governance:

1. Constituted the committee for the planning, implementing the Innovation and Start-up policy.
2. Mission and objectives are identified for the Innovation Eco System
3. To conduct workshop, seminars, Guest Lecturers and Field Visit to create an awareness about the I & E and Startup benefits
4. Strategy for resource mobilization
    i. Allotment of Institutional fund to develop the pre-Incubation Center (min 1% of the Institutional Budget)
    ii. Mobilization of funds from government and Non- Government External Agencies.
    iii. Supporting Innovative Ideas and students Startup through CSR funds
5. Facilitate the students and the members of faculty by providing pre-incubation support to develop Innovation and Entrepreneurship culture in the campus.

Committee – Institution Innovation Council (IIC)
